My Joy is the exploration of the Tarot with others, that we, together, may discover our Paths of Light. It is my hope that as we All come more into our own Light that others will be attracted by its loving pull of possibility. In this way we all become agents of change. We can then take the responsibility of creating a new paradigm of Love, Peace and Abundance for All.

News: Feeling heavy today. Becoming ever aware of the fearful self, berating myself for not being more loving... Working on unconditional Love of the self that I might love all existence unconditionally. This is my lifetime task. Yes, even more important than paying my taxes. And, paying my taxes challenges me to come from Love not Fear. All tasks are an opportunity to practice awareness of Fear and then choose to act from Love... I so appreciate you all on this list for it is through my classes and one on one interactions that I am given the opportunity to center in Love while at the same time hold the awareness of Fear.

The Celtic Wheel turns again with Imbolc, the celebration of the Light returning, rebirth, **Friday, February 3**, on my back deck. Contact me if interested in attending.

Until then, welcome the returning Light!

Message for the New Moon of January 2023

Fear... Feel it. Now, feel Love... Take your time. Notice what it takes to move from Fear to Love, from Pure Dark to Pure Light. Allow yourselves to know that you hold both. That as long as you are in human form, you will most likely hold both extremes. Notice how heavy the Fear can be, how it drags you down. Notice the light of Love, how it buoys you up. Notice when you try to love out of fear, how heavy the love becomes. You may intend Love but instead be loving with conditions...

We, as always, bring a message of Love. We are of Love. You are also of Love but are incased in a dark vessel and a culture, a society, whose foundation is Fear. This fear is the prime cause of the imbalance of Light and Dark that you see around you. We do not criticize but only ask that you realize how you all carry Fear. We ask that you become curious about your fear, for the vibration of fear is an obstacle to your evolution. The planet is heavy with fear at this time and needs your help to balance this dark energy. And what will balance it? Love, yes, but not a passive Love. Instead what is needed is a fierce Love. A Love that asks humanity to live up to its potential. A Love that encompasses all life on earth. Grass, insects, rock and sea.

Pure Love heals, for unconditional Love is the sacrifice of Fear. Think about this idea of sacrificing Fear. Be curious as to how your Fear has moved you, pushed you and now holds you back. Investigate your intentions, Look closely at your expectations.

Spend time with your inner Being of Love. Be curious about the idea of unconditional Love, that is, Love without Fear.

Begin a conversation with all of what you are.

Ask: How to live with the diversity of what I am? The diversity of the world I live in? How to Love my whole Being which includes all other Beings? Just ask. Listen to what comes...

New Moon Reading Questions

I ask what We, as a collective of souls, can learn from the message I received

Reading for the Tribe for the New Moon of January 2023

Cards One and Two

Two cards for the extremes this collective is holding at this time.

Notice I am not asking specifically for Dark and Light,
only the opposition we are holding right now.

Card Three

How to choose Love instead of Fear?

Card Four

How to live in balance with the diversity of what we are?

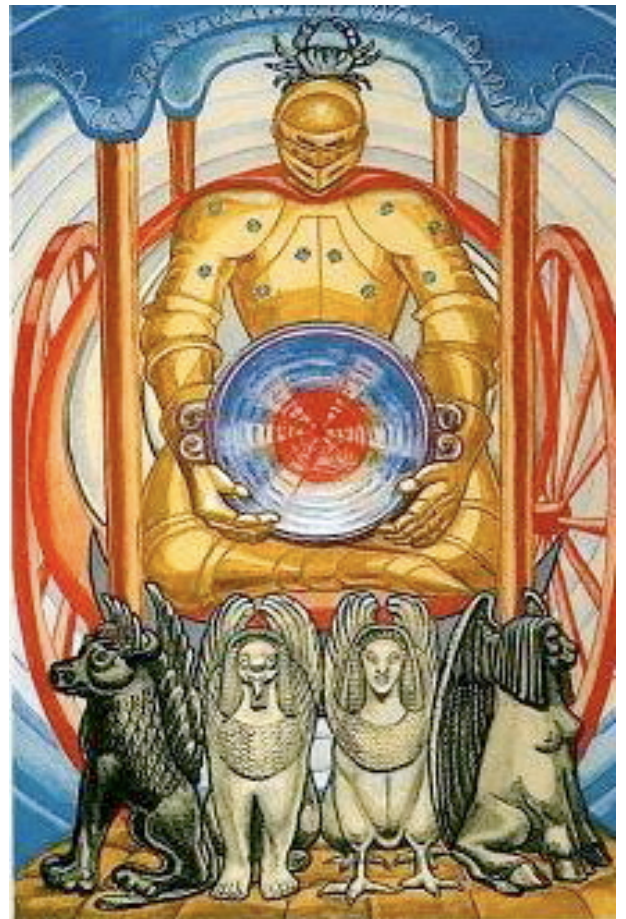

The diversity of the world we live in?

Cards One and Two

Two cards for the extremes this collective is holding at this time.

**Notice I am not asking specifically for Dark and Light,
only the opposition we are holding right now.**

So we have **Justice/Adjustment**, also known as Karma on one side. Notice how focused we are on the Ace of Swords, Cosmic Truth, that it all has purpose, that All is sacred and holy. See how this figure balances the extremes of the Alpha and the Omega, the beginning and the end. I also noticed how heavy it looks....We are working so hard to clear our Karma so that our True Being can shine through. And, here in opposition is **The Chariot** showing our Soul preparing for its purpose in incarnation. Notice the gold armor, the protection of Pure Cosmic Light, the Force of Light in the background, the movement in the cauldron held by the charioteer vs the stillness of the figure holding the sword. As Major Arcana, both cards show our Cosmic Selves holding duality in preparation for what? The next questions becomes very appropriate...

Card Three

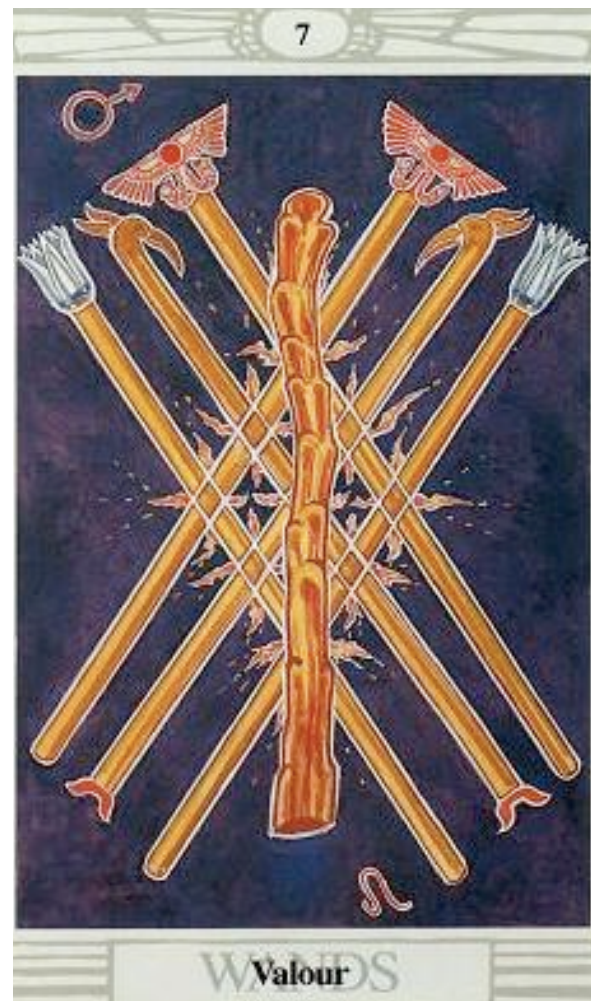

How to choose Love instead of Fear?

Again we have the theme of balance. The Swords, as the human intellect, are perfectly balanced and focused with the **Six of Swords**. All the Sixes of the Tarot sit in the center of the Tree of Life as the Seat of the Soul. This is where we align with the Aces, the potential of Source, of Pure Love. Here in the center of All that we are, our minds are aligned with Source as Love, we also have a view of what happens to Love when manifested in physical reality. Here the mind sees the Fear of Love and chooses to align with the heart. So how to choose Love? Align the mind, which tends towards Fear, with Cosmic Love, not human love. Ask yourself what might be the difference. (-:

Card Four

How to live in balance with the diversity of what we are? The diversity of the world we live in?

The Wands represent our vibrational, creative Cosmic Self. **The Seven of Wands** is always about the courage to align with the Cosmic Self seeking the vision our Souls came to fulfill rather than conforming and acquiescing to the norm. The center Wand feels awkward as we dare to rock the boat, risking the intense focus of balance we have found with **Adjustment/Justice** as we try to figure out the “right” thing to do. Our valor is following our **Charioteer**, our soul, into the action of Love. Our minds understand that this is how we find True balance, **Six of Swords**, so that we can take action from our authentic vibrational Being, **Seven of Wands**. So to live in balance with the diversity of what we are and the world we live in, we must allow the Soul to move us out of Fear towards Love.

**Now it's your turn.
Do this month's reading for yourself to see
where you, as an individual, can contribute
to the whole.**

As always I welcome your
ideas, questions and comments.
