My Joy is the exploration of the Tarot with others, that we, together, may discover our Paths of Light. It is my hope that as we All come more into our own Light that others will be attracted by its loving pull of possibility. In this way we all become agents of change. We can then take the responsibility of creating a new paradigm of Love,

New Moon Message for November of 2025

What does it mean to have true Power? To Be the Power you call Life? What does it mean to live as a being of Earth, a plant who roots in the soil and reaches for the Sun? You are all rooted in your physical existence. You all must reach for the Sun that you might grow into your Power. How to relax, become as a Plant and allow yourselves to Flower into your Power? A plant has no identity except Being, growing into whatever it is meant to Be. In order to become what IT IS, it reaches for Power beyond itself, the Sun. You have also been planted here in material existence and it is time to release control and reach for your Power of Light. It is time to allow your Being to Flower. And, with your Flowering, comes a Power unknown to your mind, the Power of meaning, of Purpose. The Power of knowing you are here for a reason. A

plant does not question its existence. But the human mind asks: Why am I here? What is the meaning of my existence?

When you question your meaning, your existence, you question your Power. Take a moment as you listen to these words. Breathe... And, with every breath, take in your Power. Your super natural Power. Your Power of Universal Life in physical manifestation. Your Power to create, to manifest Universal Desires.

What are your Desires as a form planted on Earth? Is the Cosmic Desire about contracting and being in fear? Is the Cosmic Desire about separating itself from everything else and feeling alone? You know the answer. So, the next question is: How to live freely, fully? How to rise up as the Glorious Beings that you are. How to live as Life itself, as plants do, absorbing the generosity of Earth, reaching for Light. This allowing brings an excitement of what comes next. Life holds no fear. It is only the mind that holds fear. Sit with your Fear. Identify it. Hold it with your Life forces and then Be what you are. A human with Desire to live fully, freely. Allow the Power that you call Life, to propel you into action each day.

What impedes this primal force of life? Your mind. Your mind with its innate fear of Life itself, of its Power. Your mind's fear of Cosmic Desire for more. More Life, more Love. You hold the Universal Forces that shape and create energy into form. You are a conduit of Primal Love, Eros, that creates Love here in form. You are not separate. You are not alone. This inescapable knowing that you are of Love will allow you to create the world you long for, the world that you and the Cosmic Spirit Desire.

New Moon Reading Questions

I ask what We, as a collective of souls, can learn from the message I received

Reading for the Tribe for November 2025

Card One

A card for the Tribe of this email list planted in physical manifestation.

Card Two

Asking: Why are we afraid to Flower into our Power?

Card Three

Asking: How to Flower into our Power, move beyond our Fear?

Card Four

Asking: What might it feel like to Flower into our Power here on Earth?

Card One

For the Tribe of this email list planted in physical manifestation.

The **Four of Wands** is always a joyful card as it shows a celebration of the balance of the masculine and feminine vibrational energies within. There is a sense of completion as we accept that we are vibrating Light in manifestation. This card says to me that this Tribe understands what and who we are. It says to me that we are learning to celebrate this idea that we are All conduits of Cosmic Love. Of course, this is our understanding as Wands, as Spirit, not the Swords of our minds... (-:

Card Two

Why are we afraid to Flower into our Power?

And so the next question... If we feel Complete and understand what we are, then why are we afraid to use this Power of Cosmic Love within matter? In the Thoth Tarot the Kings are Knights, so this is the **King of Cups** and it shows our Angelic Being surrendering to Light/Love, that is, Unconditional Love not human corrupted, conditional love. And why would our human self be afraid of the Power of Unconditional Love....? Why would we be afraid to trust the Greater Light/Love and allow this Flowering within? Take the time to reflect and ask yourself this question.

Card Three

How to Flower into our Power, move beyond our Fear?

Yes! How to be that King/Knight of Cups and give over to Divine Unconditional Love? **Be a Lover.** Hold **The Lovers** within. The Thoth Tarot shows **The Lovers** as the alchemical marriage within of our masculine and feminine energies. So the process of flowering into our Power begins within as we learn to love our own Whole Being. When we learn to honor our Dark and our Light, our divinity and humanness,...When we accept All of what we are... We can radiate this Light/Love to All and raise up the other plant humans. We can again create a Garden of Eden where all potential can Flower. (-:

Card Four

What might it feel like to Flower into our Power here on Earth?

What might it mean to to surrender to Love, to become a Lover of our Selves and others? Glorious! The **Six of Wands** is a card of our Soulful Self, our vibrational Light Being aligning with Cosmic Source. This is the Victory of allowing the Soul/Spirit to lead us instead of the fearful mind. This is the Flowering of our Light which can balance the Dark! What a beautiful reading! We, as a Tribe, have come to a point of completion, **Four of Wands**, in our understanding of what we are here for, to live as Love, itself, **King/Knight of Cups**, to surrender our separateness within and without, **The Lovers** and align with the Greater Desire of heaven on earth, **Six of Wands**. Allow this Good Feeling to spread throughout your body and mind. Allow it to spread to your loved ones, your neighbors and then to those that challenge you to Love...

**Now it's your turn.
Do this month's reading for yourself to see
where you, as an individual, can contribute
to the whole.**

As always I welcome your
ideas, questions and comments.
