My Joy is the exploration of the Tarot with others, that we, together, may discover our Paths of Light. It is my hope that as we All come more into our own Light that others will be attracted by its loving pull of possibility. In this way we all become agents of change. We can then take the responsibility of creating a new paradigm of Love, Peace and Abundance for All.

News: I love that the New Moon message now has the Beatles' song, *Let It Be*, floating around in my head. What a great mantra. Breathe Allow Then, look around and notice what is truly going on. Not your mind's view, which tends towards negativity, but really letting life in all its richness be absorbed. I was out on the beach in the rain and wind this morning. All thoughts swept away, only being and moving with the birds and waves. I desire to be this way always. And, I am also very human and get caught up in my thoughts and the news... but this space of just Being is always available.

Love this time of year, of endings and celebrations with my classes. Time now to sit and allow the juices to flow with possibilities for the coming year. Time to just be with What Is. May you all find those moments of Isness (-:

I will be offering the *Clearing Debris* workshop created around the Tarot card, Nine of Swords in studio, November 12 and 19th or privately on Zoom. This is an opportunity to make space to just Be and prepare for the releasing at the Winter Solstice. You will all receive more info soon (-:

Until then: Be Well in Body and Spirit and...

Message for the New Moon of November 2021

Let It Be... Let It Be... Can you just let It be? Let the trajectory of your life, just Be? Allow the twists and turns, the hills and dales with no particular goal in mind except being Present in this experience fully? Full expression of your being ness, of your aliveness, claiming your Choice of Existence?

What happens when you claim your life as your own, when you accept the extraordinary purpose and meaning of It All? Can you feel the lift of frequency in your mind and body? The depth of Feeling when you allow It All in Its glory, when you Let It Be?

We are talking about the **It** of Creation, the idea of All That Is, the ongoing flow of Creative Energy, Cosmic Source that you and everything around you are a part of.

For many of you just letting It be means a loosening of control. But did you truly have control? And, do you not find that trying to control tends to cause worry, stress and unhappiness?

Try relaxing a bit every day into What Is.. Notice the tension and as you relax more, perhaps you will notice the light of Joy that you begin to feel when It has space to rise up. This is the Pure Joy of Existence. No other meaning. Not rational.

Happiness and Joy are different frequencies. Happiness has an ending when things no longer go your way. But Joy is endless, always available when you allow It to flow; when you no longer constrict It with conditions; when you release the have tos, the shoulds and open to the myriads of possibilities in every instance; when you allow yourself and the situation to Just Be.

What happens then is you allow Emergence, for nothing is stagnant It is always changing. Let It change. Let the Transformation come forth. Let Go. Let It... Let You... Let Them... You are the conduit of Universal Desire...

Let It Be... Let It Happen.....

New Moon Reading Questions

I ask what We, as a collective of souls, can learn from the message I received

Reading for the Tribe for the New Moon of November, 2021

Card One

A card for Us trying to control It (Life).

Card Two

A card for Our Fear about allowing It All to Be.

Card Three

How to just Let it Be? What might need to be released?

Card Four

What might be the outcome of Us Letting It (Life) Be?

Card One

A card for Us trying to control It (Life).

Well, I would say the **Prince/Knight of Cups** is certainly not in control. Notice that the reins are looped over their arm and that this Prince/Knight is instead focused on transformation, hence the snake in the cup. They have given over to the powers that Be which, as a Cup, is all about diving into the depth of the Feeling of Life. Instead of controlling we are diving into Love, diving into sometimes uncomfortable feelings; grief, despair. We are Feeling it All!. Congratulations! We are in It! We are open and vulnerable. We are allowing Life to take us on a Grand Adventure. We are in dissolution. We are transforming. Keep giving over. Keep Letting It Be.

Card Two

A card for Our Fear about allowing It All to Be.

So this giving over to deep Feeling, to Love of the experience of Life of the Prince of Cups might be a bit scary. So we attempt, as the **Princess/Page of Swords**, to make sense of it all with our Intellect. We work hard to understand the illusion of the moment and the Truth. We feel that we must defend ourselves against this seeming onslaught of lies and deception. Notice the green armor that this Princess/Page is wearing. We are afraid but we also want to grow. This is an Amazon Princess who has the courage to acknowledge the Fear and move forward anyway. (-:

Card Three

How to just Let it Be?

What might need to be released?

Look at these figures on **The Sun** card opening to What Is. This is the card of Pure Joy. The Feeling we get when we Open to the glory of Cosmic Source Creation, the Joy we feel when we Let It Be and welcome what may come with a positive twist.

As the most positive card in the Tarot deck, perhaps what needs to be released is our negative thinking about the Future. Perhaps we are the ones creating the future and so it is in our best interest to Trust that if we allow What Will Be, our future can be bright and brilliant.

Card Four

What might be the outcome of Us Letting It (Life) Be?

This card has many names: **Justice, Karma and Adjustment.** This is **Cosmic Justice.** Universal **Karma** that must be brought into balance. The ongoing **Adjustment** of what is True in any moment. So if we can Let It Be, we can allow the Cosmos to come into balance. We can allow the Earth to come into balance however that might present itself. We are part of a whole. We are of the Earth and this process we are in is an Earth process, We cannot control the vast energies of the sentient Being we call Gaia. We must instead allow Love to guide us, **Prince/Knight of Cups.** We must cut through the lies to the Truth, **Princess/Page of Swords.** We must allow Goodness, Truth and Beauty to have their way, **The Sun.** If we can allow and just, *Let it Be*, we may find that we finally come into balance with the Universe itself, **Adjustment/Justice.**

**Now it's your turn.
Do this month's reading for yourself to see
where you, as an individual, can contribute to
the whole.**

As always I welcome your
ideas, questions and comments.
